## **\$60 Laptop Sale All Month Long at Woods Humane Society**

**(SLO CA, 9/1/2009)** Woods Humane Society is hosting a **\$60 Laptop Sale** throughout the month of September! Our Laptops might not be able to surf the web, store your photos, or help you with your homework. But, they are guaranteed to provide countless hours of entertainment and immeasurable amounts of love.

Woods Humane Society has many different feline laptop models available, from the older “re-fur-bished” models to the newest releases who have been on the market for only a couple of months. You can even customize your purchase in just about any color to match your office décor. Standard hardware on all models includes vaccinations, micro-chips, one free diagnostic visit, and the latest security features to prevent any unwanted “litters” in your email box. Purchase a feline laptop at Woods Humane Society anytime in September and we will throw in a free mouse-pad and complimentary CAT version 7.0 users manual!

Woods Humane Society is completely full of adoptable felines and needs to clear out our current inventory in order to make room for

more laptops to enter our adoption program, restrictions do not apply to this offer and September's \$60 Laptop Sale is good for any age model.

Visit [www.woodshumane.org](http://www.woodshumane.org) and click on the link for adoptable pets to see pictures and descriptions of our re-fur-bished models. Stop by the shelter at 875 Oklahoma Avenue in San Luis Obispo to view our newest arrivals. Contact us at 805-543-9316, our customer service representatives are on hand to help you decide which laptop best suites your needs.
